28 Fri The Tisdale Family

Pray for Dan, Na, and Ty as they head out today to return to their field in Thailand. May the Lord grant them safe travels and peace in their hearts. They will be leaving their older son, Daniel, here in California to attend university. *May the Lord who is faithful establish them and guard them from the evil one.* (II Thess. 3:3)

29 Sat Roland Heck

Roland continues to serve as the Northern California representative of GRN, while he is located in San Jose. Pray for him and his family. May the peace of God rule in their hearts, to which they were called. (Col. 3:15)

30 Sun Praying Scripture

I delight greatly in the LORD; my soul rejoices in my God. For he has clothed me with garments of salvation and arrayed me in a robe of his righteousness, Isaiah 61:10 (NIV). One of the most vivid pictures of God's forgiveness and salvation is that of putting on new, clean clothes. As servants of the most high God, pray we settle for nothing less than clean and spotless garments.

From the Director

Greetings,

We are grateful for you who join us "together in prayer" to pray for the requests listed in this September prayer guide.

Changes are coming. We will be producing audio stories for you to hear, just like people groups listen to the story of Jesus, and asking you to pray for the projects and people we feature. If you have an active email address, sign up at GlobalRecordingsUSA.org/Pray to receive notices of our new audio stories and prayer requests.

As part of the changes coming, we are also changing the printed format. We will ask you to pray for what God is doing through the projects and people we will be sharing on our podcast. Look for that change next month – and thank you for your partnership in telling the story of Jesus in every language.

Peace of Christ,

Dale Rickards

Telling the story of Jesus in every language

Together in Prayer

Daily Prayer Guide - September 2018

1 Sat Kenya Recording Plans

GRN Kenya plans to record and distribute the good news in four languages before the end of this year. These are Taveta, Digo, Omotik, and El Molo. Pray for good language helpers to be the voices on the recordings. Pray for recordings that speak to the hearts of the people and that they will soon taste and see that the Lord is good.

2 Sun Ten Languages Targeted in Brazil

Over the past few months, GRN Brazil teams have been actively engaged recording Bible stories in nine languages. A tenth language is scheduled. Pray that the recordings of God's Word will convict men and women of sin and show them their need of a Savior.

3 Mon Labor Day

Here in the United States today we honor the laborers and their contribution to the strength and well-being of our country. Let us pray for the Lord to send laborers into his field and let's honor those who are contributing to the kingdom of God.

4 Tue Good Reports

We are thankful for the new edition of the GRN USA magazine that has just been released. May the Lord be glorified as more and more people read what the Lord is doing through audio recordings. It is a blessing to share the stories and reports of ministry outreach through this medium.

5 Wed Zambia Recording Project

A GRN South Africa partner in western Zambia is doing a final field check on the newly-edited Luvale recordings. Pray for accuracy and good concentration throughout the process. Pray too that the eventual distribution of the messages will yield eternal fruit.

6 Thu Canada Needs Workers and Partners

GRN Canada is in need of additional workers and ministry partners. Much more could be accomplished with increased prayer and financial support for the ministry. More resources will enable GRN Canada to fund more projects in East Africa and the Americas.

7 Fri People Respond to the Message in Togo

The GRN Togo team has distributed GRN recordings in Bagbe Kudjra, Tovega, and Kovie. They also placed Good News recordings in Fare, Gbemba, and Koumongon. Over 100 people responded to the message and showed interest in becoming followers of Christ. Pray for good follow up by local churches and that many become followers of Christ.

8 Sat Expect Great Things of Our Great God

GRN has a huge amount of language research, recording work, and distribution outreaches to complete in order to accomplish its mandate of telling the story of Jesus in every language. Pray that we maintain our focus and expect great things of a great God and not settle for tame goals. Pray for willingness to go to the hard places and be first responders with the gospel for unreached groups.

9 Sun GRN Distribution Outreach in Nigeria

On a recent GRN distribution outreach by GRN Nigeria, three language groups were targeted: Dimak, Horon, and Kwakwi, all in Plateau State. Praise God that many of the people received the materials with joy and happiness. Pray for those who received the recordings have their eyes opened to the reality that Jesus is the Way, the Truth, and the Life.

10 Mon International Director

Pray for Graydon Colville visiting GRN USA this week. Thank the Lord for Graydon's faithful service to all the teams of the Network.

11 Tue GRN Switzerland

The GRN Swiss center, Audio Vie Suisse, is led by Philippe Tapernoux (wife Corinne). He also oversees several GRN Bases in Francophone, West Africa. Pray for the mind of the Lord, godly insight, and for provision for many planned projects to advance the gospel.

12 Wed Nigeria Outreaches

Ask God to fully provide the funds to reach these people that He loves so much. The recordings were made in the sixties and will need to be evaluated and perhaps updated with additional message content. Pray for the Nigeria team as they focus on providing effective recordings for these three groups.

13 Thu More Workers Needed in Mexico

In Mexico, Jesus Loyo, and his wife Diana, lead the GRN work. Pray for Spirit-filled workers to join them to help in the distribution and recording ministry—and for additional finances to meet all of their needs. Pray for effective recordings to be made in Otomi de Veracruz, Zapoteco de Lachiguiri, and Pame Sur.

14 Fri Foundation Funds Two Kenyan Languages

A foundation is sponsoring the recording and distribution of two Kenyan languages. Pray for GRN recordist, Boaz Inyama, as he searches for language helpers for the Taveta and Digo languages—that he will find people who can translate the Bible stories and also be the voice on the recordings.

15 Sat Players Gifted to Thailand

GRN Thailand recently received a generous gift of 1,500 mp3 players. Pray that the team will plan well as they distribute these players to spiritually needy areas. Pray too that the Bible stories loaded onto these devices will be of lasting spiritual benefit to people from various language groups.

16 Sun GRN in Sierra Leone

Andrew Kanu is the director of GRN Sierra Leone in West Africa. He and his team were recently able to survey an area of 16 villages where there are no Christians. Pray for good opportunities to produce gospel recordings for the Soso and Temne people groups so the inhabitants of those villages will have a way to hear about Jesus and his love for them.

17 Mon Conference Travel

Pray for Dale and Valerie who will be in Orlando, FL, this week for conferences with the International Orality Network and Missio Nexus. Pray for safe travels and divine appointments as they interact with others from the mission community.

18 Tue Papua New Guinea Restart

In Papua New Guinea, Merolin Gawa is representing the restarted ministry of GRN in Port Moresby churches. Pray for anointed presentations and effective use of GRN materials to reach her local area. Pray too for more workers to serve alongside Merolin.

19 Wed First Hai//om Recordings

GRN South Africa is processing the first Hai//om recordings in this Namibian language. Ask the Lord to prepare the hearts of those who speak this language to understand his Word and genuinely accept Jesus as Savior.

20 Thu Kerry and Von Erickson

Kerry and Von ask for wisdom as they share with supporters, churches, friends and relatives in the USA. Pray for safety in travel and good health. May they have rest and refreshment as they take this time away from their field of service.

21 Fri International Leadership Team

The ILT plans to meet in Thailand next month. Pray for them as they prepare, make travel arrangements, and seek God's direction for these meetings. May the Lord grant unity, vision, passion, and insight for future plans and strategies.

22 Sat Trekabout in Nepal

GRN Australia is hoping to take a team to Nepal early next year but the local situation is uncertain. Pray for God's clear guidance and for the encouragement of our colleagues who face considerable government pressure.

23 Sun Script Committee

After many years as Chair of the International Script Committee, Judy Young has stepped aside from that role. We praise God for Judy and for her many years of service. Pray for Judy who will continue to work on editing unfinished recordings.

24 Mon Funding Opportunities

There are many worldwide recording and distribution opportunities that need funding. Pray for more people who love GRN to fund a ministry project, and to contribute to all the ongoing expenses of continuing ministry.
