

TOGETHER IN Prayer

Dear friend,

In this guide, you'll find prayer requests from Global Recordings Network (GRN) that pair with a story you will receive from us soon about Louis, a retired Wycliffe missionary.

Louis told us, "We found GRN materials to be a perfect complement to the initial footwork that Wycliffe does with translation." You'll read how he and his wife used GRN materials to "weave the whole story of Jesus together." You'll also find out which GRN program he calls "the best introduction for people new to Scripture."

We love sharing stories like this with you, so you can see the fruits of your prayer time. Thank you for all you've done to help our ministry flourish to date.

But our work is far from complete. **And this Christmas, reminders of the need for his love are everywhere. Can we count on you to join with us together in prayer this Christmas season?**

**Together in prayer,
The Global Recordings USA Team**

PS: Eager to read Louis' story today? You can view it online at GlobalRecordingsNetwork.com/Stories before it arrives in mailboxes.

PRAY

- Please join us in thanking God for Louis and all missionaries who creatively incorporate GRN resources into their specific role in the Great Commission.
- Though "retired," Louis and his wife are off to Mexico soon to share even more resources with a church planter and evangelist who trains students in evangelism. We pray for their safety and for all those in Mexico who will come to know and understand the story of Jesus with these materials.
- Through GRN's audio and visual resources, and the ministry of Wycliffe, pray that those who hear the story of Jesus will embrace him and have the courage to share their faith to multiply the Body of Christ.

- We pray together for all those missionaries who may be struggling in their efforts, who might need the resources of GRN but do not know about them yet. Strengthen them, and help them discover these tools to help them tell the story of Jesus in every language.
- As we prepare our hearts to welcome the Newborn King this Christmas, let us pray together for all those who do not yet know the peace and joy of Christ. May this season draw them into the story of Jesus and may they find hope in his birth.
- And lastly, we thank God for all the missionaries, partners, donors, prayer warriors, and friends like you around the world. This broad network of brothers and sisters in Christ allows us to fulfill our mission to tell the story of Jesus in every language. Thank you for coming alongside us. We pray that God will bless you abundantly in the new year and continue to unite us together in prayer and action to accomplish his will.
