Together  
in Prayer

May, 2019

Dear Praying Friends,

By popular demand we are bringing back the daily format for the Together In Prayer.

These are new days in Global Recordings Network USA. There are hints that God is about to do a new thing in GR. Pray with us that we will not fall short of seeing or experiencing what he has ahead for us.

Pray that we will be sensitive to his voice and direction as we face new paths with a new generation of leadership. Pray that the shepherd of God's choice will come in to function under the direction of the Good Shepherd to make us into a fellowship that will patiently, and unitedly join hands to finish the task.

Daniel has been able to supply many types of players so that GRN recordings can be heard. Ask God to provide the team's needs and for the listeners.

### **May 5 All GRN missionaries adequately supported**

Many GRN workers are under-supported. Several teams are taking the CRU ministry development program and finding it helpful. Whatever method God leads us to use, he is the Source of all our supply and He is faithful and worthy of our gratitude and praise. Pray for all GRN workers to be adequately supported.

### **May 6 Allan Starling**

Pray for Allan who has fought melanoma for several years. After extensive treatment in one eye, his most recent tests showed all clear. Praise God for this good report.

### **May 7 Increased funds for ministry projects**

### **May 8 PNG update**

By God's grace, GRN teams have recorded gospel stories in 640 out of over 1200 languages of PNG. Our goal is to tell the story of Jesus in all of those languages and dialects so there is much yet to be done. Pray for good responses as representative, Merolin Gawa, promotes GRN's work in PNG.

### **May 9 Assessing impact**

### **May 17 Special-needs scripts**

GRN South Africa coworkers are writing scripts for people with special needs. This includes AIDS and HIV sufferers, those with Alzheimer's and children traumatized by war or child abuse.
