

TOGETHER IN **Prayer**

July, 2019

Dear friend,

This month is an important month for the global network as our Brazil Center hosts recordist trainings and many gather to make decisions about sending current and future recordists to “tell the story of Jesus in EVERY language!” Keep praying as we finish the task.

**Together in prayer,
The Global Recordings USA Team**

PRAY

- 1 Praise:** The USA Board of Directors has confirmed Larry DeVilbiss as Executive Director. Pray for Larry as he leads GRN USA with vision and transparency.
- 2. Praise:** Dan and Joan Rulison will be returning to GRN as Assistant Director and Executive Assistant respectively. Pray for their many transitions in the weeks to come.
- 3 USA Leadership:** Pray for Dan Rulison as he steps in as acting director during July while Larry DeVilbiss attends the recordist training course in Brazil.
- 4 True Freedom:** As we in this country take today to celebrate freedom and liberty, let's pray for those who need true freedom from the bondage of sin and darkness.
- 5 Recordist Training:** The training course in Brazil is underway. Pray for the trainees and trainers that this training will enable all to serve in even more fruitful ways as they record and distribute the story of Jesus in even more languages.

6 Praise: God thank you for your servants with **Transport for Christ** and other ministries that are reaching out to the truckers and migrant populations of our nation.

7 Pray: Thank you that today recordings of your word still speak to displaced peoples far away from their homes through our partnership with **Transport for Christ**.

8 Pray: Please carry these mother tongue words with the power of your Holy Spirit and bring the hearers to yourself.

9 Pray: Make these immigrant children of yours into mobile missionaries as they drive their trucks through the highways of our continent.

10 Pray: Father, give your church a vision for praying for fruit amongst the strangers that are with us. Give us compassion and effective contacts for all such people.

11 Open our hearts to generously share the riches you have blessed us with so that tools like these can be multiplied and freely distributed. Encourage your servants who are laboring at Global Recordings to patiently and in faith labor for the delivery of your spoken words.

12 Target Language: Ampanang is one of Indonesia's priority languages targeted by GRN. Pray for a recording team to take the good news to them and for God to use his gospel to transform lives and reconcile many to himself.

Continued on back

13 Pray for Roland Heck, Northern California Regional Mobilizer, as he develops partnerships with missionaries, churches, and individuals to help distribute recordings to the least reached groups.

14 Prayer: (Eph. 2:6-7) May the church of the living God stand triumphant, realizing the authority we have in Christ and praying with that authority.

15 Marc and Diane Guiett: Pray for Marc as he improves the audio quality of digitized recordings; Diane does data and online training support for the Network.

16 Tai Pao people of Laos: The Tai Pao practice a mixture of animism and Theravada Buddhism. The few who have heard the gospel believe that to become Christian would disgrace their culture and heritage. Pray for this stronghold of deception to be broken.

17 Distributing mp3 players: GRN Thailand recently placed hundreds of mp3 players loaded with gospel content in the villages where Lemet, Karen Sgaw, and Urak Lawoi' languages are spoken. May the Spirit bring them hope and a future through these audio recordings.

18 Papua New Guinea plans: Merolin Gawa, GRN representative, plans to take a team into the PNG highlands to distribute recordings next winter. Ask our Lord to even now begin to call people willing to serve on the this team.

19 Financial challenges: The GRN work in South Africa has recently lost two significant donors. Also affections donations in SA, 80% of all municipalities in SA have declared bankruptcy. Pray for new streams of supply for the ministry.

20 Georgia recordings: Kenny and Joan McKee (GRN UK) recently visited Georgia and made seven new recordings in five languages including Georgian and Megrelian. Pray for effective distribution.

21 Facing dangers: GRN recordists in various areas work amidst difficult and dangerous circumstances. Pray for their safety from physical and spiritual attacks.

22 The Matis of Brazil: Pray I Pet. 2:9 that the Matis people will enter into their promised inheritance as they hear and understand God's word. May they "proclaim your excellence."

23 Charles and Stella Gutierrez: Charles runs our media duplicating department, producing CDs and loading SD cards. Stella assists in the Accounting department. Pray for God's blessing on their lives and ministry.

24 Proyecto Sonora: Pray that many volunteers from local churches in Mexico will step up to help share GRN evangelistic materials in many languages spoken by the migrant laborers for this new project.

25 Training Course in Brazil: Tomorrow is the final day of the recordist training course. Pray for the recordists as they continue to serve, putting into practice the skills and technics they have learned.

26 Vision for the strangers: May local churches have a vision for reaching the strangers, orphans, and widows in our neighborhoods.

27 David and Gerry Gutierrez: Pray for David as he designs a variety of mission publications. Gerry oversees correct correct data on languages and dialects in our data base. May God grant them joy and fulfillment in their tasks.

28 Ministry Partners: Please join us in praying and asking the Lord to open doors to more ministry partners serving immigrant populations.

29 Recordist recruits: Pray that the Lord would call young people in the USA to join our ranks of field recordists—especially second generation bilingual youth.

30 Recordist recruits: Pray for the children of immigrants to have a calling to reach their own homeland with recordings of God's message of love and grace.

31 Our Prayer: Thank you that you have "made of one blood all nations of men for to dwell on all the face of the earth, and determined the times before appointed and the bounds of their habitations." Acts 17:26. Help us reach them all.
