

TOGETHER IN **Prayer**

September, 2019

Dear friend,

With well over 3000 languages and dialects yet to be recorded by GRN, the task is great but our God is greater. With God's grace, the prayers of his people, and the support of his church we can complete the task. Thanks for doing your part by prayer.

Together in prayer,
The Global Recordings USA Team

PRAY

- 1 Brazil Focus:** Please pray for the Mura-Piraha, a small language group in the Amazon, who is surrounded by development but is still largely monolingual and largely unresponsive to decades of missionary contact - even initial GR recordings. Pray for openness to the gospel.
- 2 Expanding Outreach:** Pray for the GRN Brazilian Board of directors as they seek God's direction and provision for expanding the scope of the Brazilian teams to reach more of South America. May God grant them the vision to accept this challenge.
- 3 Dianara:** Pray for Dianara as she moves into the leadership of the GRN Brazil office. May God grant her extra grace, strength, and guidance as she works with the Board and the team, and sets goals for the next year.
- 4 40 to go:** Our research indicates 40 unrecorded languages in Brazil. Pray for open doors into these inaccessible, remote tribal groups. May recordings bring truth and light to them.

5 God is good! The GRN team in Brazil has completed and shipped their latest recordings in the Terena, Kayapó and Kadiweu languages. God is good! What a joy to send these recordings to the people knowing that many will listen to God's words of life in their own languages.

6 Khumi people of Bangladesh: Road access to the villages of the Khumi people of Bangladesh is difficult and dangerous. Many thieves kidnap travelers for huge ransoms. Pray that God's people may overcome every obstacle to ensure his message of salvation will be delivered to these people for whom Jesus died.

7 The Chitral district of Pakistan: The Chitral district of Pakistan is a beautiful place of mountains and valleys. Six languages of the Chitral district have already been recorded by GRN. Pray for open doors in more local languages.

8 GRN in Europe and the Middle East: Pray for GRN teams throughout Europe and the Middle East to press forward in providing the gospel of our Lord Jesus where Christ is not known. Pray for godly leadership; for staff and volunteers, and for faithful supporters and intercessors.

9 East Africa projects: GRN Canada funds many recording and distribution projects in East Africa and elsewhere. Pray that more Canadian Christians will catch a vision for the GRN work and respond with prayers and generosity.

10 Health checks and the gospel: Pray for open doors for GRN Thai staff to regularly visit villages and offer simple health checks and share the audio gospel messages. Pray this approach will help team members to build relationships with the people as well as encourage local Christians.

11 Praying Scripture: *"Declare his glory among the nations, his marvelous deeds among all peoples"* | Chron. 16:24 (NIV) May the Lord enable us to do just that.

Continued on back

12 GRN Asian teams: Pray for the GRN teams in Asia to push forward in recording and distributing the gospel of Jesus Christ where he is not known. Pray for godly leadership, dedicated workers, and generous donors. Pray too for intercessors providing a strong prayer covering.

13 Refugee camps in Uganda: Walter Okelo, GRN Kenya director, returned recently from a distribution trip to Uganda. Pray that the materials given out at the South Sudanese refugee camps will result in many hearing the gospel and becoming followers of Jesus Christ.

14 A user-friendly tool: The 5fish app is a very easy and user-friendly tool for sharing the gospel message with people of non-English speaking backgrounds. Pray for divine opportunities for many people to use 5fish in everyday situations among ethnic groups and immigrants.

15 GRN teams in the Americas: Pray for GRN teams throughout the Americas to have a sense of urgency in recording and distributing God's words of life in unreached places. Pray for godly leaders, hardworking staff, generous supporters, and for intercessors to provide a strong prayer covering over each team.

16 Larry DeVilbiss: Pray for Larry as he will be in Alaska next month finishing up some business on his farm. Pray also for preparations for his upcoming trips to Thailand and Colombia.

17 There is much work still to do: Pray to the Lord of the harvest for a great influx of men and women from Africa, Asia, Oceania, the Americas and Europe who can be trained as recordists, language researchers and recordist's assistants.

18 Preparing for the future: GRN will need to increase its training capacity to be able to handle a surge in people needing to be trained. Pray that many will be called by God to GRN and sent and supported by their home churches.

19 GRN teams in Oceania: Pray for GRN teams throughout Oceania to make advances in recording and distributing God's words of life in places where the Lord Jesus is not known. Pray for godly leadership, faithful staff, and generous supporters to provide for staff and ministry projects.

20 Intercessors for the teams: Pray for intercessors to use their spiritual weapons to provide strong prayer coverings over each Oceania team. May each one be firmly supported both in prayer and in finances needed for the tasks.

21 GRN Africa teams: Pray that the GRN teams throughout Africa will diligently record and share the Good News where Christ is not known. Pray for godly leadership, hardworking staff, and generous supporters. And pray for many intercessors to provide strong covering over each team.

22 Ed Young: Recently the Youngs and some of their family accompanied a team of short termers from a Flagstaff church to Chihuahua, Mexico. Pray for the ongoing ministry of GRN materials they distributed.

23 A struggling national economy: The GRN work in South Africa continues to deal with income issues due to the struggling national economy. Please join with the GRN team as they look to God to open up new resources to supply for their ministry. He is faithful!

24 Maritza Young: Pray Col. 3:15 over Maritza, Ruby, Joshua and Dulce – may the peace of Christ rule in their hearts; may the peace of God that passes all understanding guard their hearts and minds.

25 Baluchistan province: Baluchistan, in Pakistan is home to language groups that include Baluchi, Makrani, Brahui, Pashtun, and Hazara. A recent trip throughout this province revealed a need for recordings in a number of languages. Pray for a GRN team to follow up there.

26 Praying Scripture: *“Joshua said to the children of Israel: ‘Come here and hear the words of the Lord your God.’”* Joshua 3:8 May we all hear him well when he speaks through his Word.

27 Vicki Womack: Vicky assists Ralph Loper part time in the accounting department. Praise God for sending a faithful and capable servant to work on our team. May he bless her efforts with joy and victory.

28 God's resources: Thank the Lord for the faithful donors who contribute joyfully with generosity. Prayer also is a most valuable resource; praise him for faithful prayer partners.

29 Recruiting recordists: Please join us in prayer as we ask the Lord for at least 80 new recordists in the near future. May God's call be strong on those he wishes to answer him.

30 International Meetings: Pray for the preparations for meetings of our network to be held in Thailand in November. May the Lord grant wisdom, unity, and increased vision to each of the directors in attendance.
