

TOGETHER IN PRAYER

March 2022

Dear friend,

What a great privilege we have been given -- to hear the voice of God and to speak with Him with open hearts. Let's continually embrace this opportunity with joy, and enter into His presence daily with thanksgiving and praise.

Never grow weary in laboring with Him in prayer, for the furtherance of His Word to the lost.

Thank you for continuing
Together in Prayer

The GRN USA Team

1 On the move again: After no travel for nearly two years, International Director Graydon plans to make several trips this year. The International Leadership Team (ILT) is to meet in Switzerland in March. Pray for travel restrictions to lift and for God's anointing on the meetings.

2 Next stop: After the ILT meetings, Graydon will meet as many of the European leaders as possible. Pray Graydon will have godly insight into their local situations.

3 Larry's travels: Unable to get visas for Australia, Larry now plans to have a short family time in Scotland before going to ILT meetings in Switzerland. Pray for Nigeria and Australia to open up to visitors for the next stage of Larry's travels.

4 Sudan languages: There are eleven people groups in Sudan with no known believers and no Gospel resources. Pray that helpers can be found to enable GRN to make recordings in each of the eleven groups.

5 Colombia languages: Pray for Philip, who was recently trained on GRN recording equipment and who is searching out contacts and language helpers in three unrecorded languages. Pray for God's direction as he seeks to share God's Word.

6 Nyaw people: Praise God for the good contacts that GRN Thailand has built with the Nyaw of Northern Thailand. Pray according to Phil 1:11, that they will soon be "...filled with the fruit of righteousness that comes through Jesus Christ—to the glory and praise of God."

7 New USA staff: Pray for Shannon and Robert, who have transitioned from volunteer status to staff. May the Lord provide for all their needs as they commit to serve with the Arizona office.

8 Whatever it takes: It takes trained recordists with strong back-up support to record the story of Jesus. Pray for recordists with Christ's honor as their chief motivation and a willing heart to do whatever it takes for His story to be told in every language.

9 Kenya recordings: A few months ago, GRN Kenya completed recordings in the Keiyo language. Pray for effective distribution and for God to work in the hearts of the Keiyo people who have listened to the messages already.

10 Kenyan plans: Pray for Kenya staff, Walter and James, as they plan future recording trips. May the Lord guide them to just the right contacts and language helpers.

11 Hold on to His promises: Recording the Gospel in every unrecorded language is a huge task. May God arm us with strength and endurance, and a faith that holds on to His promises, no matter what!

12 The Culiacan Project: The annual Culiacan Project – an outreach to migrant workers – took place in Culiacan, Mexico, from late January to mid-February. Pray that many who have heard or who have yet to hear God's word in their own language will come to faith in Christ.

13 Praying with song: *It is good to give thanks to the LORD, and to sing praises to Your name, O Most High; to declare Your lovingkindness in the morning, and Your faithfulness every night (Psalm 92:1-2).*

14 Mexican recordists: Eight active recordists in Mexico are on a mission to complete recordings for all the remaining people groups in Mexico. Pray for God's leading, provision and empowering for these teams.

15 An army of praise warriors: Pray for GRN to be a testimony of praise to the nations. As the enemy opposes us on every side, let the high praises of God be on our lips so that victory is secured at the sounds of rejoicing.

16 Year of 5fish: Praise God for this effective and fruitful app for people's phones. Pray that its name will become well known in the Christian world and that more people will use this app to point others to Christ in 2022.

17 Continued improvements: James and the 5fish team are working to make the app work better with mobile hot spots. This will enable it to be used in remote areas where there is no internet connection.

18 Another year of COVID? The COVID virus and its related variants continue to disrupt our lives. Pray we will remain obedient to the call of sharing the name of Jesus in every language.

19 Two new recordings: Mexico recordist, Chuy, recently recorded two languages in southern Mexico: Huave San Dionisio del Mar and Huave San Francisco del Mar. Pray that the recordings of the Gospel will transform many lives of people in these two groups.

20 The Kibet people of Chad: The Kibet are one of the Tama-speaking peoples of Chad. Pray they will soon "Count all things as loss for the sake of knowing Christ" (Phil 3:7).

21 Return to Mindoro Island: The GRN Philippines team would love to return to Mindoro Island to maintain contact with the tribal people, distribute completed recordings, and to record more of their languages. Pray for wisdom and creativity for future projects.

22 Moving plans: Pray for John and Rosa as they prepare to move to Catalina from SoCal. Pray for wisdom from above, for the kids, and for the sale of the house in Temecula.

23 Staff needs: The USA office staff are praying for new members to join the team there. Pray for people of God's choosing to be accountants, IT workers, a personnel manager, administrative assistants, property maintenance people, audio techs, and others.

24 Praise for donors: Praise God for the faithful army of givers who continually give to the mission of GRN. May their numbers increase, and may the Lord send blessings to each and every one.

25 GRN Netherlands: Pray for Marion and the team working in the Netherlands, and lift up their working with City Bibles, that it may be a fruitful partnership.

26 USA Arizona director: Pray for the Lord's guidance in the search for an on-site director or administrator for the USA office. May the Lord's call be heard and answered.

27 GRN Nigeria: Nigeria center leader Kish reports that the recent medical outreach was a success. They had twice the usual number of volunteers, enabling more work to be done, despite the insecurity in the country.

28 Social media: Please continue praying for our promotions team to find creative ideas to help people engage with GRN's ministry through social media. Pray for Roland as he posts videos geared to various language groups.

29 Passing the baton: Pray for GRN mobilizers as they present the ministry at churches, conferences, and Bible schools. May the next generation be inspired to take up the cause of telling the story of Jesus in every language through audio media.

30 Switzerland and West Africa: GRN Switzerland coordinates support for the work of GRN in West Africa. Pray for Swiss leader, Philippe, to have godly insight and understanding as he supports these teams. Pray that the work in West Africa will greatly increase and bear much fruit.

31 Thank You: Give thanks for our prayer warriors: *Now he who plants and he who waters are one, and each one will receive his own reward according to his own labor. For we are God's fellow workers...* (I Cor. 3:8-10).

May the God of hope fill you with all joy and peace as you trust in Him, so that you may overflow with hope by the power of the Holy Spirit (Rom. 15:13 NIV).
