

TOGETHER IN PRAYER

June 2025

Dear friend,

From very early in Scripture we see that God has a heart for all peoples and nations and a plan to show them His glory. Psalm 72:17 says: *"His name shall endure forever; His name shall continue as long as the sun. And men shall be blessed in Him; all nations shall call Him blessed."* Thank you for joining us in prayer as we seek to bring this message to those who still have not heard. **Together In Prayer,**

The GRN USA Team

- 1 **Praying Scripture:** *In your seed all the nations of the earth shall be blessed, because you have obeyed My voice.* Genesis 22:18
- 2 **GRN UK:** Pray for more volunteers to join and assist in administration to support the work in GRN UK. Pray for Sanjay and Mary as they spearhead GRN's vision and work in the UK.

- 3 **GRN Pakistan:** Pray for the work of GRN Pakistan. They are very conscious that every step needs to be covered by prayer as they record and distribute in this sensitive country. The recent bombing by India was about an hour from their homes. All is well, but pray for God's work in the hearts of the Pakistani people.
- 4 **The Culiacan Project:** It was postponed this year because of local difficulties. Let's join local Mexican Christian leaders as they organize prayer for the violence to be calmed in the capital of Sinaloa, so that Biblical ministries can continue sharing with the thousands of migrant workers.
- 5 **GRN Belgium:** Pray that someone will come forward to lead the GRN team in Belgium; ideally they need someone who can speak both French and Flemish and so work with both communities. Pray for the recording of *Mark* in Flemish which is currently being done by David.
- 6 **GRN Myanmar:** David* and Stephen* continue to serve faithfully in Myanmar amid political unrest. Give thanks for them and their families. Pray for opportunities to record in needy languages even though travel is impossible, and for the ability to distribute finished recordings to those in need of the Good News. (*names changed for security)
- 7 **GRN Thailand:** Our Thai team is working on their new Good News script. Please pray for the recording and evaluation of a script which will speak to the hearts of Buddhists. Pray too for the Motorcycle Gospel Team as they visit isolated communities with love, care and the Gospel.
- 8 **Praying Scripture:** *Declare His glory among the nations, His wonders among all peoples.* 1 Chronicles 16:24
- 9 **Mexican Outreach:** Opportunities are opening to share the Gospel through GRN recordings in dozens of new agriculture camps in Northern Mexico. Pray for more volunteers to join an outreach to win many souls for Jesus Christ.
- 10 **GRN Kenya:** The team in Kenya requests prayer for recording in the Bodei language. They are in contact with a pastor's coordinator in that area. Pray for good and committed language helpers to enable these recordings to go ahead.
- 11 **GRN Cameroon:** Approximately 70% of Cameroon's population does not understand French or English, the two official languages. With more than 250 languages and nearly as many language varieties, this represents an immense challenge for the spread of the Christian message.
- 12 **GRN South Africa:** "As we completed editing and processing audio in five variant languages within the Makhuwa cluster, *Audio Scriptures International* started to raise funding to sponsor audio players on which we could load this newly-produced audio content. And just last week our coworker in Mozambique announced that 800 audio Bibles loaded with the newly prepared Bible story sets in the five varieties were successfully delivered in Northern Mozambique."
- 13 **Center Directors:** Several of the European centers are praying for new leadership. Pray for God's call on the hearts of those who can step into these spots to lead and inspire a new generation of GRN workers in Europe. Pray for European Director Sam B as he oversees the ministries there.
- 14 **UK Prison Outreach:** Sanjay has made contact with a prison chaplain in the UK who has requested Kulumis (MP3 players) for inmates. Please pray for God's favor and provision, that GRN materials may be supplied without hindrance, enabling the inmates to hear the Gospel and the Word of God.
- 15 **Praying Scripture:** *That Your way may be known on earth, Your salvation among all nations.* Psalm 67:2

- 16 Leadership training:** Several key leaders from our Asian countries are planning to attend a *Leadership Matters* conference in the Philippines this month. Pray for Rany, Chandra, Hannah, Mateo, and Milton as they seek to grow as servant leaders in their ministries.
- 17 Nigerian recordings completed:** Praise the Lord that the Nigerian team (Joshua, Solomon, Jude) has completed three recording projects this year. Pray for future plans for more recordings and for increased partnerships with local churches.
- 18 Urbana preparations:** GRN has been invited as one of 50 missions presenting their work at this gathering focused on "Gen Z" (18-25 year-olds) whom God is calling into His work. Many young people will be called into missions. We're praying for skilled IT technicians, audio technicians, potential recordists, public speakers, writers, accountants, bookkeepers, videographers, and more to join GRN USA. Please pray with us.
- 19 Na and Dan:** Please pray for God's perfect peace and His perfect timing as this family waits upon God's perfect will on returning to Thailand, their country of service with GRN.
- 20 Welcome to Rhonda:** We are very thankful to have a new staff member on our team. Pray for Rhonda as she undergoes orientation and begins ministry with us. Praise God for calling her to this vital work.
- 21 Kerry and Von:** They are very grateful for the provision of a new home in Thailand, after their last apartment was destroyed by flooding. Pray for them as they begin new relationships with neighbors and work on continued outreaches. Pray for healing of Kerry's back pain.
- 22 Praying Scripture:** *The LORD will be awesome to them, for He will reduce to nothing all the gods of the earth; people shall worship Him, each one from his place, indeed all the shores of the nations.* Zephaniah 2:11
- 23 Traveling:** During summertime in the USA, several of our staff members will be taking some vacation time, traveling and visiting families. Pray for safety in travel, for divine appointments as they visit, and for time to refresh and renew.
- 24 Dan and Joan:** Dan continues his ministry of property maintenance in Catalina. Our 5-acre property got a needed facelift. Storage space has become office space for new staff. Residential space has been renovated to house summer interns. Joan is sharing monthly care giving for her mother with her sisters in South Carolina. She is glad most of her work as Admin Assistant to International Director Tim S is done by computer and phone and she is able to keep up with that remotely. Tim is very thankful for this assistance in the International Office.
- 25 Translator Maritza:** She writes, "Besides on-going translation of regular GRN publications, I have started a new project to put into Spanish a series of missions lessons based on the life and ministry of Joy Ridderhoff, our mission's founder, so that children know that they too can serve God with joy. Please pray that the Lord blesses all these efforts to the furtherance of His Kingdom."
- 26 Dangers in Nigeria:** Our GRN team there writes: *"The roving attacks on Plateau State villagers have been a recurring issue without solution. We need God's intervention because the government is either not ready or not willing to do the right thing."*
- 27 Sign Language video:** For people whose mother tongue is sign language, there is still very little Biblical material available. That is why GRN Netherlands joined forces with the Interchurch Pastoral Care for the Deaf. Working with professional sign language interpreters and deaf translators, they have made the video 'Good News' in Dutch Sign Language (including subtitles). Pray for God's blessing on this project.
- 28 GRN Canada:** The Board is continuing their search for a new Executive Director. Former Director David E. is continuing to serve in the office to make sure the needs of the mission are taken care of. Pray for the person of God's choosing to take on this important task.
- 29 Praying Scripture:** *After these things I looked, and behold, a great multitude which no one could number, of all nations, tribes, peoples, and tongues, standing before the throne and before the Lamb, clothed with white robes, with palm branches in their hands.* Revelation 7:9
- 30 Future Plans:** The International Leadership Team identified several areas to address concerning the future growth of GRN. One of these concerns plans for future Advanced Recording Team Training Courses (ARTTC) to be held in Africa and possibly in the Americas in the near future. Pray for God's direction and wisdom for our future.
