

TOGETHER IN PRAYER

September 2025

Dear friend,

As we enjoy the cooler weather of autumn in the northern hemisphere, we also look forward to new school and church calendars for the year ahead. We seek renewed enthusiasm for God's work on earth as we join **Together In Prayer**.

The GRN USA Team

- 1 **Our recording teams:** Pray for all recording teams around the world as they research the needs of the people groups that they are aiming to reach. Pray for wisdom to choose content that is relevant and presented in a way that is engaging, impactful and communicates God's truth clearly.

- 2 **GRN USA:** Give thanks for Stephen, our new Financial Officer, who already lives close to the Catalina office. He has a heart for ministering to people as well as experience in business administration and managing fund accounting, among other gifts. Praise God for answered prayer!
- 3 **GRN Philippines:** Pray for Maryann and Hannah as they work with partners in the Southern Philippines to record a remote language. Pray as they begin recording and give thanks that this project is fully funded.
- 4 **Leadership needs:** Canada and South Korea need new center leaders. Indonesia and PNG have challenges, and GRN could be doing so much more in these places! Please pray for the leaders, workers, and supporters needed to tell the story of Jesus in every language.
- 5 **GRN South Africa:** We give thanks for Kathleen, who is joining the staff of GRN South Africa and will be supporting the work of Director Dalene, who has been working under extremely stressful circumstances.
- 6 **GRN Mexico:** The team is recording two new languages. Pray for a smooth process and that the resulting recordings will be used to bring many to a knowledge of their Savior.
- 7 **Praying Scripture:** *He also raised us up with Him and seated us with Him in the heavens in Christ Jesus, so that in the coming ages He might display the immeasurable riches of His grace through His kindness to us in Christ Jesus.* Ephesians 2:6-7
- 8 **GRN USA:** New recordist trainee Robert T has joined our US staff. Pray for leadership to have God's wisdom in planning out his orientation and training schedule, including possible time in various centers.
- 9 **GRN Bangladesh:** Give thanks that Moloy was able to travel for some training. Pray for both Milton and Moloy as they seek further training in recording. They are currently editing recordings in a local language.
- 10 **GRN Thailand:** Please pray for wisdom and direction for GRNT as they prepare questionnaires to use in researching the Nyaw language. Pray for GRNT as they make plans to evaluate the three Mon recordings, and about several health issues for the staff.
- 11 **International Leadership Team:** Please be in prayer for the ILT meetings that begin today in France. The leadership team will spend time on reports, discussion, and planning, as well as regular morning prayer times seeking God's direction for the entire organization.
- 12 **Information Systems:** The IS team works to keep our websites and apps running securely 24/7. Most of this work is never seen, unless something goes wrong! Pray that this international team will have great skill and diligence in their demanding work.
- 13 **New recordings:** Yousif in Australia is editing recordings he made in a refugee camp in northern Uganda. Pray that the recordings will be used powerfully for God's glory and growth in His Kingdom.
- 14 **Praying Scripture:** *For we are His workmanship, created in Christ Jesus for good works, which God prepared ahead of time for us to do.* Ephesians 2:10
- 15 **GRN USA:** Pray for Tim, Bryan, and Roland H as they receive info from organizers of the Urbana 2025 youth missions conference, and plan booth layout and construction, activities and materials for conference participants, etc. Pray for about six visas for international GRN members to come and participate. Some of these may require a miracle!
- 16 **GRN scripts:** Pray for Graydon C and the script committee as they work to produce and adapt high-quality scripts that will be effective tools for reaching the hearts of people from various cultures and religions.

- 17 GRN Switzerland:** Pray for Paule in Switzerland as she promotes the work of GRN in her country. Switzerland has supported the works in Francophone West Africa for many years—pray that the Lord will inspire and enable continued generosity.
- 18 5fish expanding:** Pray that American Christians will share the powerful tool of our 5fish app with Christian workers they come in contact with, both foreign and in the US, so that resulting hearers of the Good News in their own languages will be struck to the heart as they encounter God's love.
- 19 Faithful prayer:** "Unless the Lord builds the house, they labor in vain." We thank God for faithful prayer supporters who play a vital role in this work. Pray that GRN leadership will continue to discern the Lord's leading in dozens of countries worldwide.
- 20 Story from Central Asia:** "As we shared the idea of distributing 30 SD cards, the host family distributed them all on their own. They were fearlessly bold in telling their neighborhood about the story of Hazrat Isa (Prophet Jesus) on the SD card. The head of the family got excited and said, 'These are stories of the prophets so this is a good material.' We realized that the bridge of prophet stories in the content of the recordings opened the door to let them hear the story of Jesus Christ."
- 21 Praying Scripture:** *He came and proclaimed the Good News of peace to you who were far away and peace to those who were near. For through Him we have access in one Spirit to the Father.* Ephesians 2:17-18
- 22 GRN USA:** Please lift up Rhonda as she puts out feelers for new workers, makes plans to contact Tucson churches, and creates a new Internship Program for the US. Her energy and solid faith in God's provision of people are a great encouragement to the staff here.

- 23 Volunteers:** Praise God for our volunteers who use their skills, knowledge, and experience to serve the Lord through GRN. From data entry to property maintenance, software testing to translating webpage text, all assistance is valuable and very much appreciated by the GRN network.
- 24 GRN Australia:** New studios—"Please pray for us as we seek God's wisdom as to the best builder for [constructing 4 new studios at our Sydney property]." This will enable them to process audio recordings more quickly, give further technical training, and create videos promoting the work. "We expect to need in excess of \$300,000 - please pray for God's provision."
- 25 New Aborigine recordings:** David S has recorded 2 Chronicles in Kriol (spoken by many Aborigines around Australia). He now has a couple of months of editing ahead of him. Pray for smooth processing and for fruit from these recordings.
- 26 GRN Mexico:** Mexican Director Chucho gave us feedback about one of their project workers who shared 5fish with a friend. The friend came to the Lord and is seeking a local Christian church in her area of Sonora State.
- 27 GRN Nigeria:** Muslim extremists and Fulani herdsmen are causing havoc in Nigeria, devastating farms, burning churches, and killing Christians. We are thankful for our dedicated team who go out into dangerous areas to record God's Word in the local languages and then return to those hard-to-reach communities to make sure they have access to the finished product.
- 28 Praying Scripture:** *In Him the whole building, being put together, grows into a holy temple in the Lord. In Him you are also being built together as God's dwelling in the Spirit.* Ephesians 2:21-22

- 29 Preparing useful media:** Pray for our Publications team as they are given materials to prepare for the rest of the year, including giveaways for the Urbana Conference the last week of December. Up to 7,000 young Christians could take these items home with them—pray for wise use of this opportunity.
- 30 YouTube Channel:** All of our recordings in over 6,500 languages are now available on YouTube. Thank God for this outlet. Here's one report from India: "There is an expression of God's wisdom and power in everything, thank God!"
