

TOGETHER IN PRAYER

October 2025

Dear friend,

While technology opens doors, it is not the source of power. The true strength of missions has always been, and will always be PRAYER. Technology is a tool, but prayer is the glue that holds the mission together. As we innovate and adapt, we remember that it is God who transforms lives. Thank you for joining with us...

Together In Prayer,

The GRN USA Team

- 1 **USA Facilities help:** Dan R is preparing for several winter-time volunteers who will come to help with facility, upgrades, and repairs. Pray for wisdom for him as he plans projects for these volunteers.

- 2 **Partnership Development:** Pray for new GRN USA trainee recordist, Robert T, who is preparing for a partnership development course. Pray that the Lord will raise up a strong team of prayer partners and financial supporters for his ministry with GRN.
- 3 **Project Baja 2025:** Pray for a planned outreach in the migrant worker camps in Baja, Mexico, from October 4-11. Pray for the teams to give Gospel presentations, distribute GRN materials, and reap a harvest of souls for the Kingdom.
- 4 **USA Finance Department:** Give praise for Stephen M and his leadership over the finance department. Pray for wisdom and guidance for all in accuracy, efficiency, and accountability.
- 5 **Praying Scripture:** *May the God who gives endurance and encouragement give you the same attitude of mind toward each other that Christ Jesus had, so that with one mind and one voice you may glorify the God and Father of our Lord Jesus Christ.* Romans 15: 5-6
- 6 **Mexico report:** "Today Maria understood her need for a new beginning, a new life in Christ. Before saying goodbye, she said she would look for a Christian church in her town. Let us pray together for Maria and others who use the 5fish App to understanding that they are instruments fulfilling God's mission." —Chucho, Director
- 7 **Visas needed:** Pray that visas for four international GRN staff will be approved for their visits here in the States for Urbana in December.
- 8 **Dan and Na T:** They are still waiting on the Lord's timing for their return to the team in GRN Thailand. Pray for Na's citizenship paperwork to finally come through. Pray for patience as they wait, and for financial provision for them.
- 9 **Message for Afghanistan:** GRN designed a script to bring comfort and hope to people who have had devastating earthquakes. Our recordists have a burden to record this in their two major languages. Give thanks for this project and pray it would reach needy hearts.

- 10 **Pakistan flooding:** Our team in Pakistan reports that 20 million people were affected by the recent flooding. Pray for the relief efforts and for Christians to shine the light of Jesus in this difficult time.
- 11 **GRN Switzerland:** Pray for Paule who is promoting the work of GRN and for Jeremie O who will be supervising the West African centers and bases supported by Switzerland.
- 12 **Praying Scripture:** *And, moreover, that the Gentiles might glorify God for His mercy. As it is written: "Therefore I will praise You among the Gentiles; I will sing the praises of Your name." Again, it says, "Rejoice, you Gentiles, with His people..."* Romans 15: 9-10
- 13 **GRN Spain:** The team in Spain is planning distribution in partnership with other organizations and churches in Southern Spain. Pray that the preparations go well and that many will respond to the Good News presented by the outreach.
- 14 **Facing Dangers:** Nigeria, South Africa, Myanmar, Ukraine, Israel, Nepal and many other places are suffering much strife. Please pray and ask our Lord for GRN's recordings to be used to spread the Gospel message, and to bring peace and restoration to these countries.
- 15 **Recording Team needed:** Pray that the Lord will call a team in the UK or Europe to this task, where there is no trained recordist. There are many immigrant and refugee groups that populate camps and areas of large cities all around Europe.
- 16 **Praying Scripture:** *And again, "Praise the Lord, all you Gentiles; let all the peoples extol Him." And again, Isaiah says, "The Root of Jesse will spring up, One who will arise to rule over the nations; in Him the Gentiles will hope."* Romans 15:11-12

- 17 GRN Kenya:** Pray for Walter and James who are working with several language groups for distribution and evaluation of older recordings. Pray for good contacts with the Suba, Chonyi, and Giriama language speakers.
- 18 GRN Nigeria: Report from recent distribution:** “Despite the high influence of Islam as the majority, Christians are passionate and zealous for the work of the Kingdom. They stressed the impact that this material will have on the Church and their people at large. Most pastors made a commitment to use these materials in their church programs.”
- 19 Preparations for URBANA 2025:** The USA Mobilization team and leaders are busy preparing materials, presentations, and an interactive Babel Game for the URBANA conference in December. Pray for prepared hearts in the young adults who will attend the conference.
- 20 GRN Mexico:** Pray for the new recordings in Mixteco Taidah and Zapoteco Q to be easily edited and uploaded to the 5fish library. May these language groups hear about God’s love and salvation through these recordings.
- 21 GRN Philippines:** Maryann and her team recently hosted the Kairos course in the Philippines. It was a huge blessing. Pray for the course, that it would mobilize the whole Church for His global mission.
- 22 USA Board development:** Several of our Board members will be retiring in the near future. Pray for the Lord’s leading in the hearts of the new Board members. HE wants to serve in this vital role.
- 23 Praying Scripture:** *May the God of hope fill you with all joy and peace as you trust in Him, so that you may overflow with hope by the power of the Holy Spirit.* Romans 15:13
- 24 ILT Follow-up:** International Director Tim S, together with the Leadership Team, met last month to pray together, plan, and seek God’s direction for the national centers and bases of the Global Recordings Network. Pray for wisdom in following through on the vision the Lord has given them.
- 25 GRN MapApp:** This interactive resource is undergoing some revisions to make it more user-friendly. Pray for the team working on this project; they hope to have all the changes ready by end of the year.
- 26 Future Staff:** Ask the Lord for gifted and called co-laborers to come join our team and move the work forward. Pray specifically that the Lord of the Harvest puts us in touch with those of His choice—for His glory!
- 27 GRN Brazil:** International Director Tim S recently met with the GRN team in Brazil and reports: “GRN Ministry has just been perfect for the many languages throughout the Amazon areas and all throughout the indigenous works in Brazil. Our material has had a significant impact in people’s lives.”
- 28 South Sudan recording project:** Yousif and Vivian are hoping to record the Moru and Shilluk languages of South Sudan. Pray that suitable translation and language helpers will be found.
- 29 Central Asia:** Pray for Salas as he works to provide materials that can reach out to the deaf community in Pakistan. Pray the sign language recordings he has done will be effective in reaching out to this neglected community.
- 30 Ukraine:** Pray for Ukraine and especially for the children who have Tumi Tigers, that the messages contained on them will help them cope with traumatic events surrounding them. May the Lord protect and bless them.
- 31 Western culture, post-Christianity:** As we see the culture around us descend from the light of Creator-God-knowledge into the darkness of “Halloween” and demonic influence, pray for the true Light to pierce hearts.
