

TOGETHER IN PRAYER

July 2026

Dear friend,

The last several months have been challenging for our GRN family around the world. At the same time, we continue to see God's amazing grace and mercy. Spiritual warfare is real and the power of prayer can never be underestimated. May we see our Savior's protection from the attacks of the enemy and may we praise God as we see Him work. Staying

Together In Prayer,

The GRN USA Team

- 1 **GRN USA Hospitality:** We are very happy to have two units available to rent for visitors and volunteers to the USA office in Tucson. Pray for Diane W. who coordinates hospitality and welcomes guests graciously.

- 2 **GRN South Africa:** Kathleen has been working closely with Adelaide, a retired teacher and social worker, carefully going through the translated IsiZulu Tumi Tiger script, mainly doing final checks for consistency in the script. Please pray for diligence in all the preparation work and also for meticulous accuracy of the script before they record.
- 3 **New Aussi Studios:** Work has now begun on the construction of three long-awaited new technical studios! Pray for the builder, the staff involved, building materials and sufficient funds needed. Pray that these rooms will be completed safely and in good time.
- 4 **Freedom:** As we celebrate 250 years of American independence and freedom, let us pray for those in spiritual slavery. May God's message of true freedom and peace in Christ reach every language, tongue and nation.
- 5 **Praying Scripture:** Be sober, be vigilant; because your adversary the devil walks about like a roaring lion seeking whom he may devour. I Peter 5:8
- 6 **From Tim S. International Director:** "Praise for a great time visiting our Pakistani and Bangladeshi teams. Pray for God's protection and blessings as they seek to make Him known in very challenging environments."
- 7 **GRN Mexico:** Mexico leader Chucho L. asks for prayer, that the church in Mexico would see the value in GRN's resources and activities for reaching migrants workers. Pray that local churches would support GRN with prayer and practical help. He is very grateful for partnership with churches in Hermosillo.
- 8 **Aboriginal Recordings:** Praise God for successful recording of the Pintupi-Luritja and Ngaanyatjarra languages in Alice Springs. Pray for David S, and Andre A. as they edit and program the New Testament books they have recorded in these languages. Pray for volunteer Janette as she works on plans for the next recording projects.
- 9 **GRN UK:** We are preparing to send 200 Kulumu MP3 players in various Bhutanese languages to Bhutan. Please pray that these players will arrive safely, reach the right people, and be used by God to touch many lives with the message of Christ.
- 10 **India:** The church in India is coming under increasing pressure following the recent murder of three pastors. Pray for the recordings being done in the Moplah language, a dialect of Malayalam. Pray for the language helpers and that they will remain committed until the task is completed.
- 11 **GRN Perspectives Course:** Praise God that we have officially launched the class, and the website registration is now live on the Perspectives website. Organizers are praying for at least 25-30 students to sign up and take the class on our campus in Tucson.

- 14 **GRN Kenya:** Director Walter O. reports that Waata recordings of the Look, Listen, & Live stories were well received in Tana River County, Kenya. The population of 22,000 has very low literacy rate and materials were accepted with enthusiasm. "The 5Fish App will do wonders with our youth."
