

TOGETHER IN PRAYER

August 2026

Dear friend,

The USA team is preparing for the Perspectives course to be held on our campus soon. This opportunity to build relationships with Tucson churches & ministries may help many to develop a greater understanding of God's heart for the nations. We ask you to pray each Sunday this month for God's blessing on this project.

URGENT: Pray specifically for more participants to sign up! Thank you for continuing with us...

Together In Prayer,

The GRN USA Team

- 1 Pakistan trip:** Several members of our USA short-term team are in Pakistan to assist at a camp for the deaf. Pray for the team as they minister to the participants and learn how GRN materials are presenting the Good News of Jesus to this often-neglected people group.
- 2 Perspectives Course: Tucson area churches:** *Scripture: John 17:20–23.* Pray for unity among churches and a renewed vision for God's mission. Pray for multiple churches to be represented in our class and for future partnerships to bring more Perspectives courses to the Tucson area.
- 3 New Director in Asia:** Give thanks to the Lord for Director Sam P who has recently retired from his post. Pray for the new director Salas, who will lead the ministry at this Asian center.
- 4 New Recording:** Pray for the planned recording of the Tumi Tiger script in German. Pray that the right language helpers will be found to voice the recordings and that, once completed, they will be used greatly for God's glory.
- 5 GRN Indonesia:** Praise God that our Indonesian recordists have recently recorded messages in a local language. Pray for them as they are now editing and programming. Ask the Lord to prepare people to hear God's Word through these recordings and to respond in faith.
- 6 Longing for God:** God desires that the people He has created would love and long after Himself. He desires that His blood-bought Bride--made up of people from every tribe, tongue and nation--would delight in Him for His sake alone. Pray that the hearts of each GRN staff member would truly hunger and thirst after God.
- 7 GRN South Africa:** Give thanks for our dedicated team in South Africa. Pray especially for Dalene as she leads the team and manages many projects. Pray for her husband Johan, who has experienced difficult health challenges lately. The other team members are Melody, Jacobus, and Kathleen. Each is seeking more support.
- 8 Praying for the lost:** We all have close family members or friends who remain unsaved. Pray for these and for people whom God has placed in your life and on your heart, that they will hear, receive, and know the saving power of the Gospel of Jesus Christ.
- 9 Perspectives Course: Coordinating Team:** *Scripture: James 1:5.* Pray for the coordinating team (Vi and Garrett, Brian and Starr, Joan, Wayne, Rhonda) Pray for a hedge of protection around their families, wisdom in planning and preparing, joyful service, UNITY, and endurance.
- 10 New USA property:** Pray for our team working on completing the purchase documents for five pieces of property adjoining our current facilities in Tucson. May the Lord use this wonderful provision of land and buildings for His glory!
- 11 GRN Europe:** A young couple in Europe are considering becoming recordists. There are currently no GRN trained recordists in Europe. Pray the Lord will guide them and prepare their way before them. Pray for a sure and settled calling.
- 12 SE Asia:** One of our partners in SE Asia is using our GRN materials to develop *listening groups* in difficult countries. This program introduces people to God's Word who then, by the Holy Spirit, grow into home churches. Our partners report significant results from their work.
- 13 USA Board of Directors:** Pray for our directors as they participate in a Board retreat alongside this month's Board meeting. May the Lord grant them insights and guidance in preparing for the future work of GRN USA. May each member be encouraged in his service to the Lord.
- 14 GRN UK:** Pray for our GRN UK ambassador Brian as he contacts chaplains in over 140 UK prisons to ask for permission to make Kulumi MP3 players available to the inmates so they can hear the Gospel messages and audio Bibles in their own languages.

- 15 GRN Canada:** We praise God for the new and current volunteers who us offer their time. Pray for more volunteers because every department of GRN Canada needs assistance. Provincial Ambassadors are also needed.
- 16 Perspectives Course: The Speakers:** *Colossians 4:3–6.* Pray for the 15 weekly instructors, that God would grant them wisdom in preparation, clarity while teaching, dependence upon the Holy Spirit, safe travel, and good health.
- 17 GRN International Leadership Team:** Praise God for this ILT that continues to meet regularly to assure the continued vision and integrity of GRN. Pray for them as they seek God's will and present their ideas and concerns to each other.
- 18 GRN Leadership:** Praise God for the many center leaders throughout the Network. Pray for them as they seek to honor God in all they say and do, and to lead with integrity and humility. May they walk increasingly closely with their Lord.
- 19 India recordings:** Pray for leaders Graydon, Surendra, Tim, and Sanjay, seeking discernment about GRN ministry opportunities in India. Pray also for a new contextualized Good News script being recorded in several Indian languages.
- 20 GRN Mexico:** Project Chihuahua is just finishing today. Pray for continued ministry among those who have been reached through this distribution outreach. Give thanks for Director Chucho and his team faithfully presenting God's word to the indigenous peoples of Mexico
- 21 God's Supply:** Resources are needed for the recording and distribution programs to advance. Let us continue to call on the Lord for a great outpouring of His provision.
- 22 GRN Bangladesh:** Give thanks for the recordings and picture books distributed in Bangladesh. Ask our Lord to make those materials very fruitful, so that many people would hear the Good News. Pray for God's transformation in the lives of those who see and hear.
- 23 Perspectives Course: The Students:** *Scripture: Ezekiel 36:26; James 1:5.* We are asking specifically for 30 students to enroll. Pray that God would draw every student He desires. Pray for teachable hearts, and that lasting friendships and important contacts would develop.
- 24 More recording and distribution teams:** Pray for the Lord to call many more people to be engaged in the recording work. Pray too for those who promote and distribute our messages. Our work can be multiplied when we mobilize others to use our recordings to further their evangelizing and church planting endeavors. Pray for good partner strategies for each GRN center.
- 25 Full Sheaves:** Praise the Lord with us for the safe return of our recordists from two countries in West Asia. The recordings were made successfully, and now need careful attention in editing and programming so they can be made into mp3's and put up on the Internet.
- 26 Accounting Department:** We give thanks for Shannon who had been helping in this department but has moved on to other things. Pray for the Lord's choice of new workers and assistants for this crucial area of the work.
- 27 GRN Kenya:** Praise God for Walter and his GRN team. They continue to make trips to various parts of the country (and neighboring countries) to take the Gospel in local languages to those who will use these messages in their own ministries. The team recently participated in a distribution of GRN materials with Samaritan's Purse. See tomorrow for their report.
- 28 GRN Kenya report:** *"It was great to meet with many church denominations: 23 Sunday School teachers, 21 pastors, and 15 primary school teachers were present. Please pray that this distribution will boost the school pastoral programs in 8 schools and also help students to understand more about the Bible and to develop their relationship with God."*
- 29 GRN MapApp:** Pray for Loren, John, and Jeff of LightSys Technologies as they collaborate with GRN on a new version of the MapApp. It is designed to help GRN and other missions find languages and Christian resources for their ministries.
- 30 Perspectives Course: Calling:** *Scripture: Ephesians 2:10.* Pray that students would be transformed—not merely informed. Pray for wisdom and spiritual understanding. Pray that each student would discover God's unique calling in answering the general command of Matthew 28:18-20.
- 31 GRN Staff: Servanthood:** Pray that in our walk and our work we would manifest the servant heart of Jesus Christ--a heart that serves only one Master. God desires our complete allegiance. Pray that the will of each GRN worker would be totally yielded to the Master's use.
