

TOGETHER IN PRAYER

October 2026

Dear friend,

GRN USA seeks to become a catalytic hub for getting Gospel access into every heart language. This is not simply about doing more — it is about becoming the kind of organization that can faithfully steward growth: prayer-led, God-dependent, focused, collaborative, courageous, and disciplined. Prayer is key, so thank you for joining us. . .

Together In Prayer,

The GRN USA Team

1. **GRN USA Board:** Give thanks for our faithful Board members who worked hard at the last meeting to identify strategic goals and plans for our future. They have identified key roles that need to be filled for our organization to move forward. Pray for the Lord's calling on those who can fill those roles.
2. **Advancement Department:** Pray for Brian P who joined us full time last month in order to head this Advancement: coordinating efforts for church involvement and increased awareness in the Christian community about GRN's purpose, mission, and vision.
3. **5fish Project:** Our software developers are concentrating their efforts to combine the three 5fish apps (Android, iOS and web) into one app. This will make app maintenance and development much simpler and will mean users all have the same experience using 5fish. Please pray for the team as they work towards this goal.
4. **Praying Scripture:** *Sing to the Lord, bless His name; proclaim the good news of His salvation from day to day. Declare His glory among the nations, His wonders among all peoples.* Psalm 96:2-3 NKJV
5. **GRN Mexico:** Distribution of GRN materials is happening now during Project Baja. Pray for the volunteer teams working diligently to reach farm workers at their camps. Through films, personal evangelism, and other means, the Gospel reaches those who need Jesus. Pray for changed lives.
6. **Vision for Property:** Our vision for the property is to create a hub for training, hospitality, internships, and church engagement that multiplies GRN's impact—equipping the local church and raising up future full-time GRN staff for key roles in Recordings, IT, Admin, and leading teams overseas. Pray for God's direction in this.
7. **Spiritual Opposition:** Doing ministry of any kind exposes us to resistance from the evil one. Pray for protection on all GRN field teams and office workers. Pray for their health, their families, and for perseverance through the many challenges of this work.
8. **Property Issues:** Please continue to pray about our efforts to secure more property here in Tucson. This will allow us to expand our efforts in the future. Many complications are hindering the finalization of our purchase.
9. **GRN Switzerland:** Pray for Paule as she promotes the work in Switzerland, and for Jeremie as he plans a trip to West Africa to encourage GRN workers there. Jeremie serves as Director of Operations in Africa for GRN Switzerland, which oversees GRN's work in 14 French-speaking countries.
10. **Identifying Languages:** We need wisdom in identifying languages. Pray for our field teams, language tracking team, and studio crew as they identify and catalog languages known by multiple names. This is important as it helps users find our recordings.
11. **Praying Scripture:** *Give to the Lord the glory due His name; bring an offering, and come into His courts. Give to the Lord, O families of the peoples, give to the Lord glory and strength.* Psalm 96: 7-8 NKJV
12. **The Great Need:** The Gospel is still not available in every heart language, especially for small language groups, refugee communities, isolated populations, and low-literacy communities. These people are not a statistic. They are souls that need to hear about Jesus.
13. **Burkina Faso:** Over the next six months, many players with Gospel messages will be distributed in hard-to-reach rural areas of Burkina Faso. Pray for them to bring an effective witness to many, and also for safety for those involved in a country where radical Islamists have been active against local Christians.
14. **Central Asia:** Pray for Salas as he takes up leadership from Sam and also continues his work for the deaf community, which has led to the establishment of 12 churches for the deaf in Pakistan. A recent discipleship training course was attended by 178 deaf people.

15. **GRN South Africa:** We thank God for the vision and dedication of the GRN team in South Africa, led by Dalene. Pray the Lord will provide for their financial and other needs and keep them safe in high-crime areas and on dangerous roads.
16. **Recording in Namibia:** Pray for Dionara, from Brazil, who is now working in Namibia busily recording the revised Otjiherero Bible. Pray for the Lord's guidance over this project, for the language helpers, and for fruit from the recordings.
17. **GRN South Korea:** GRN teams from South Korea were instrumental in recording many minority languages in China, but the work there is now in abeyance. Pray the Lord will call someone to restart the work of GRN in this missionary-minded country.
18. **Praying Scripture:** *Oh, worship the Lord in the beauty of holiness! Tremble before Him, all the earth. Say among the nations, "The Lord reigns; the world also is firmly established, it shall not be moved; He shall judge the peoples righteously."* Psalm 96:10
19. **GRN Nepal:** Even though our team in Nepal was not in the area of the recent disaster, they are aware of many who were. Please pray as our brothers and sisters in Christ within the country band together and are the hands of feet of Jesus and a light to all those who are in need. Pray they would be bold in love. *[Please see the link at the end of this page.]*
20. **GRN Kenya:** The Kenya office recently suffered a break-in, losing expensive equipment. Pray for the Lord's protection for all GRN buildings and staff, many of whom are based in areas where violence and/or crime are endemic.
21. **Language Services:** We really need several people, called by God, to help manage the huge task of Language Tracking and the supporting graphics. They will need to have or be able to learn the necessary computer, AI, programming, and cataloging skills. Our God is able to send just the right ones to assist our current team.
22. **System Security:** GRN needs to be constantly vigilant against cyber-attacks. Pray for the GRN

Information Systems team in Australia and its efforts to provide secure systems.

23. **Walter O:** "Thank God for a big breakthrough for the Bodei project. All the challenges we had have changed to the strength and encouragement to get the project done. Pray more for God's blessing on this project and for this people group."
24. **GRN Thailand:** The GRNT team writes: "We traveled to visit the Nyeu people to discuss and prepare content for the next recording session. Our language helper, Bah, started a small group with the Nyeu people, using an MP3 player. Praise God that several have come to Christ and are going to church with her now."
25. **Praying Scripture:** *Let the heavens rejoice, and let the earth be glad; let the sea roar, and all its fullness; let the field be joyful, and all that is in it. Then all the trees of the woods will rejoice before the Lord.* Psalm 96: 11-12 NKJV
26. **Admin Assistant to ID:** We an assistant for Joan in the International office: detailed, teachable, with skills in writing and organizing. Cross-cultural experience would help. This person needs to be computer savvy and have a heart for the big picture of the whole world of GRN. Pray for God's calling on just the right person.
27. **Plans from Mike H:** He is offering "Come and See" trips to Sonora this fall for US churches. Interested persons can spend a quick weekend to visit to 2-3 of our ministry locations, churches and communities. Pray for God's direction for these trips, and for wisdom and strength for Mike as he supports all Mexican outreaches.
28. **GRN Gambia Report:** *We distributed 81 USB drives and 15 memory cards that contain GRN recordings of the "Look, Listen, and Live," the "Good News," and "Words of Life" in Fula and Mandinka. We estimated that 130 people prayed for their sins to be forgiven and invited Jesus into their lives. Please remember those who gave their lives to Jesus that they may get good discipleship and they will grow to know Jesus the more.*

29. **YouTube Content:** We give praise for increased engagement with our YouTube content. Please continue to pray that this medium will draw more people to personally follow Jesus. Give thanks, too, for the work being done to improve our multi-lingual translations in the descriptions so that more people can search for content in their own language.
30. **Recording Team Trainers:** Pray for Jon and Clair R., based in Thailand, who manage training the recording teams. May the Lord guide them in all they do, and may the teams grow, both in numbers and in skills to use for the Kingdom.
31. **Field Director:** A Field Department Director is also needed to lead and liaise with the work overseas. Communication throughout the network is absolutely necessary for envisioning, planning, and executing recording and distribution projects.
