

TOGETHER IN PRAYER

September 2026

Dear friend,

Missions should be motivated not simply by the human need out there, but first of all by an awareness of the supremacy, glory, and purpose of the Creator God. We simply respond in gratitude to His amazing salvation, and learn to care about what is on HIS heart – which is that through Abraham’s seed, all the nations of the earth will be blessed. Join us in praying through just a few of such Scriptures on the Sundays of this month.

Together In Prayer,

The GRN USA Team

1. **The Perspectives Class:** Praise God for these wonderful sessions which are showing us how God is at work in the world, with missions simply a response to His own amazing Person as He offers us a forever relationship with the Triune God.
2. **New department and leader:** This month, Brian Pappagalo comes to work in our office full time. He will set up the Advancement Department (to include areas of church relations, Interns, publications, others), which seeks to “Advance” a knowledge of and involvement with GRN among churches and ministries around the country.
3. **Praying for more people:** We will scatter some of these needs through this month’s TIP, but they include our desire for a dedicated HR person and the need to revamp our orientation program for any new people who join us.
4. **Social Media Mobilizer/Digital Evangelist:** We would love several people with a heart for reaching oral learners (especially those who have no other means of hearing the Gospel) who can promote the use of social media to reach these people groups digitally and internationally.
5. **University opportunities:** We have a table at Grand Canyon U in Phoenix during their “Welcome Week.” We would love to interest Christian students in outreaches to other students and to immigrants using our materials.
6. **Praying Scripture:** *And I will make you a great nation, and I will bless you, and make your name great; and in you all the families of the earth will be blessed.* (Gen. 12:2-3, selected)
7. **Trip to Kenya:** Robert T praises and thanks the Lord for the opportunity to visit Nairobi, Kenya, last month on a business mentoring project with his church. He was able to meet GRN leader Walter while there, which will be valuable for future potential projects collaborating on African languages.
8. **Donor Relations:** Ruth is taking care of Ralph, so we need someone who seeks and trusts God, with a heart for the Gospel spreading to the unreached, who can listen, help, encourage and converse with donors.
9. **GRN South Africa:** Give thanks for our dedicated team in South Africa, including Dalene as she leads the team and manages many projects. The other team members are Melody, Jacobus, and Kathleen. Pray for their health, support, and the Lord’s direction in their work.
10. **Administrative Assistant to ID:** We need someone to assist our International Director: detailed, teachable, with skills in writing and organizing. Cross-cultural experience would help. This person needs to be computer savvy and have a heart for the big picture of the whole world of GRN.
11. **Future involvement with GRN:** Pray for Joshua Zhang, who has interned in Australia, just spent almost a week here with us in Catalina, and is now deciding what involvement with GRN the Lord wants for him in the future. We are thankful for his amazing computer abilities.
12. **Ongoing connections:** Rhonda is involved in many projects to further a knowledge of GRN in the local and national church. Pray for her time management as she seeks her actions to be aligned with God’s priorities.

13. **Praying Scripture:** *The Scripture, foreseeing that God would justify the Gentiles by faith, preached the Gospel beforehand to Abraham, saying, "All the nations will be blessed in you."* (Gal. 3:8)
14. **Creative positions available:** Two other staff we need are a Graphic Artist/Designer who contributes to many departments in GRN, and someone gifted in videography.
15. **Important initiative:** One of our partners in SE Asia is developing "listening groups" to introduce people to God's Word. These often grow into home churches in difficult countries. Pray as we seek to get this training documented so we can share it with other partners using our materials.
16. **Language Tracking & Graphics:** We really need a team of people, called by God, to manage Language Tracking. They will need to have or be able to learn the necessary computer, IT, AI, programming, and linguistic skills.
17. **International Leadership:** Pray as center leaders from each continent discuss on-going issues. They are also planning the triennial Council Meetings to be held during Oct 2027 in Asia or Europe, with representation from every settled GRN entity.
18. **Business Manager:** We also need someone with the thoroughness, perseverance, and attention to detail to handle the varied and complex business and legal needs of a mission like GRN, who also has a heart to honor God in all things.
19. **Board Involvement:** We await outcomes from last month's Board retreat and meeting. Pray for several new members for our Board, preferably local.
20. **Praying Scripture:** *The Lord has made known His salvation; He has revealed His righteousness in the sight of the nations.* (Ps. 98:2)
21. **More distribution teams:** Pray for those who will join us to promote and distribute our messages. Our work can be multiplied when we mobilize others to use our recordings to further their church planting endeavors.
22. **Expanded property:** Final contracts are in lawyers' hands. Pray for timely change of ownership, many details, and more staff to manage the responsibilities of this increased property
23. **MissioNexus:** Today, Stephen, Rhonda, Brian P, and Bryan W travel to attend the annual MissioNexus gathering, probably this country's most extensive opportunity in this country for mission organizations to network.
24. **IT and Audio:** Several people are needed to work on programing, IT, and personal computer support, field recordist support with both computer and audio equipment, and maintaining/troubleshooting the GRN network.
25. **Servant Care:** We praise the Lord for a contact with Servant Care, a ministry to current missionaries, and the possibility that our facilities may be able to be used as a respite-type location for this purpose in the future.
26. **Potential recordist:** David T has applied to GRN, is in a fairly demanding job right now, and is praying about when and how to come and join us in an exciting new adventure. Pray for wisdom for leadership as well.
27. **Praying Scripture:** *Tell of His glory among the nations, His wonderful deeds among all the peoples. Let the heavens be glad, and let the earth rejoice; And let them say among the nations, "The Lord reigns."* (1 Chron. 16:25, 31)
28. **More Recordist:** More American field recordists are needed, who will have faith in God, initiative and perseverance, detail-orientation, and an adventurous spirit. They need to love people and be problem solvers.
29. **Field Director:** A Field Department Director is also needed to lead and liaise with overseas staff. Communication is absolutely necessary for envisioning, planning, and executing recording projects.
30. **Dependence on the Lord:** Pray for the US staff and volunteers as we begin praying and fasting for 3 days (modified for personal needs) at the beginning of each month. We very much need more staff, and are throwing ourselves on our faithful God, who knows our need.
